

THE BASIN OF STROPPO

Start	Stropo, Paschero
Climb	480 m
Max. altitude	1.570 m
Walking time	4h00'

The itinerary follows the ancient communication tracks between the hamlets, starting in Paschero. A little road leads to Arneodi and San Martino, in the woods. We'll turn right towards Cucchiales (recommended detour to the Devil's Cave) and reach Morinesi and the Santa Maria church, with its great panorama. The quick descent leads to San Peyre and back to Paschero, where the little museum "Escolo de Mountahno" can be visited, while all the villages on the hike show beautiful architectures, some dating the medioeval age, those of maximum glory of the Maira Valley.
